Welcome Message from the President

Dear Colleagues,

On behalf of the Malaysian Sterile Service Association (MSSA), it gives me great pleasure and honour to welcome all sterilization practitioners to attend the MSSA 16th Annual General Meeting, Conference and Exhibition.

I trust that 16th Annual General Meeting Conference and Exhibition will continue the tradition of being a friendly platform for interaction and exchange of ideas, sharing of knowledge and experience. Indeed, together I hope we will be able to address the various challenges in our professions and overcome these challenges to deliver better performance.

After last year's theme of calling our member to keep up with times and keep abreast with the latest development in the service and industry, this year, I would like to call all, especially our MSSA members to pay attention to achieving "Excellence in Sterilisation Services". After gaining all the necessary knowledge from the MSSA Conferences, we must fully utilise the knowledge to improve our practice, deliver the best that we know how, and to strive for excellence in our service.

To achieve this objective, once again, we have invited the prominent and respected speakers in our profession to share their knowledge and to provoke our thoughts. I believe that the sharing of knowledge, experience and expertise in this Conference will contribute positively to our profession and result in direct benefits to those receiving our services.

I look forward to seeing you in this Conference in Langkawi, which we will return to after organising the 1st MSSA Conference many years ago. To our foreign delegates, I welcome you to our beautiful country Malaysia, and to the natural wonders of Langkawi.

Thank you,

(Datin Wan Muji binti Wan Ngah)

President,
Malaysian Sterile Service Association,
November 2011.

Committee Members

Datin Wan Muji binti Wan Ngah
