World Forum for Hospital Sterile Supply

PSSSM

Dear Industrial Partner,

In close collaboration with the Polish Society of Sterile Supply Managers (PSSM), the WFHSS organises its 4th workshop, which will take place from Thursday 6 to Saturday 8 December 2007 at the City Hotel in Bydgoszcz (Poland).

The workshop is targeted at members of staff of Polish sterilization departments but colleagues from abroad can participate in it as well.

If you are interested in taking part in the industrial exhibition please fill out the form below.

If you would like to give a paper you should submit the title and the abstract (before 30 May 2007) to Emiel Goovaerts,
Email: emiel.goovaerts@telenet.be

I would like to point out that the organizing committee will, independently and objectively, draw up the programme. Preference will be given to papers with a non-commercial content, to participants in the exhibition and to our industrial partners.

We trust to have the pleasure of meeting you in Bydgoszcz and thank you for your cooperation,

Ewa Gaudzinska
PSSSM Chairman
